BIGGEST MILESTONE OF BCCDI

Close of Escrow of New Property and Dissolution of previous property

- The current Board undertook one of the biggest challenges ever to find a bigger and better permanent house for the BCCDI. With the help of our great community board was able to buy the self-standing property with a private loan from the seller with zero interest (12662 Lake Ridge Dr., Suite # A, Woodbridge, VA 22192), and the close of escrow took place for the new property on the unforgettable Bangladesh Victory Day (December 16th, 2022).
- The board also took the bold decision to market and sell the previous condo (6189 Grovedale Ct, Suite # 200, Alexandria, VA 22310) with the help of Mr. Anis Khan and was able to close on a pay of the private loan and the current property is now FREE and CLEAR.

BIGGEST MILESTONE OF BCCDI

- Total Cost including the remodeling cost
- \$360k
